

Adventure Club Summer Program Swim Policy

The following policies will be enforced at the 2024 Hingham Recreation Summer Program:

For Beach Field Trips:

- All children will be evaluated by a licensed lifeguard that will be hired by Hingham Recreation prior to entering the water.
- If the lifeguard determines that a child is an at-risk swimmer or a non-swimmer, the child will be given a colored wrist band and will be supervised on land for the remainder of the field trip. Hingham Recreation will offer alternate activities for these children.

If you have any questions or concerns, please contact the Recreation Office @ 781-741-1464.
